20nine Design Studios

Interactive Designer 2/06–2/07
PHILADELPHIA, PENNSYLVANIA

As the lead Interactive Designer, I worked with a small team to develop concepts for corporate and retail clients that enhanced and extended their brand. I was responsible for presenting to clients, determining information architecture, managing production deadlines, art directing and leading development of websites, rich media banners, and dynamic interactive flash experiences.

Hen House Records

Owner 1/96–1/00
BOSTON, MASSACHUSETTS

Formed independent record label, produced recordings, managed manufacture of records, tapes, CD's, and videos. Designed and art directed posters, flyers, album cover art, press kits, and promotional material for shows.

Freelance Experience

Neiman Group

Designed and developed websites for clients including Temple University, The Hershey Foundation, The Commonwealth of Pennsylvania, Amtrak, and the Neiman Group

Macabre Studios

Currently developing a flash portfolio site and identity for music video production company based in New Jersey.

Wonder Bureau/WhenWeLand

Created flash site for the film Heavens Fall which debuted at the SXSW film festival. Art directed the entire branding campaign for the film including website, poster, press kit, and DVD packaging.

Lori Shinal

Produced dynamic flash site showcasing Lori Shinal's accessory design and interior design portfolio.

20nine Design Studios

Hired to design and code sites and rich media applications for software, financial, and photography clients.

France Divided

Designed and developed site to promote a documentary about the French Resistance movement during World War II.
